PUBLICATIONS

I currently have 55 publications: 23 of these are international peer-reviewed journal articles, including 9 single-authored papers, 8 co-authored papers where I am the first author, and 5 other co-authored papers. I also have a co-authored book published by Routledge another under contract with Reaktion press, along with 5 peer-reviewed book chapters and bibliographic entries and a guest editorship. I also publish in the popular press/newspapers. See Appendix 1 for more details.

CONFERENCE PRESENTATIONS

I have been invited to present at over 20 conferences and seminars, in France, Switzerland, Norway, Germany, Sweden, Australia, UK, US and the Netherlands. The topics of these conferences and seminars have concerned the senses, digital health, anthropology of infrastructure and science and technology studies. I have also presented at over 30 other conferences in the fields of anthropology, science and technology studies, history, medical education, medical sociology, internet studies, medical humanities, medical ethics and communication, and sound studies. See Appendix 2 for more details.

FELLOWSHIPS, GRANTS and AWARDS

- 04.2015 **Scholarship:** One month visiting researcher Residency 2015 (with Sally Wyatt and Susan Kelly), Brocher Foundation, Geneva, Switzerland
- 2012 **Award:** Faculty of Medicine, Dentistry and Health Sciences Dean's Award for Excellence in the PhD Thesis, University of Melbourne.

- 2006 – 2016 **Grants:** 18 successful competitive grants from grant bodies in Australia, The Netherlands and UK (13 of which I was the PI). See Appendix 3 for more details.
- 2010 **Prize:** My Medical Museum competition (*MedGadget*, 2010)
- 02.06 – 08.09 **Scholarship:** Melbourne Research Scholarship, Faculty of Medicine, Dentistry and Health Sciences, University of Melbourne (competitive funding for 3.5 yrs full time PhD)
